Other components:	Compliance Notice	
Total running time:		136.07

Excisions: Excisions Recommended And Made

Reasons for excisions:

One excision is required to remove a trailer that has brief images of urine being used in association with sexual conduct, leading the publication to tend to promote and support this behaviour. The trailer also contains conduct that strongly demeans women. The trailer must be removed to prevent the publication from being objectionable under section 3(2)(d) and s3(3)(a)(iii).

Excised version of publication:
